ATTENTION: This form will be placed on top of and attached to each Top Secret document received by the Central Intelligence Agency or classified Top Secret within the CIA and will remain attached to the document until such time as it is downgraded, destroyed, or transmitted outside of CIA. Access to Top Secret matter is limited to Top Secret Control personnel and those individuals whose official duties relate to the matter. Top Secret Control Officers who receive and/or release the attached Top Secret material will sign this form and indicate period of custody in the left-hand columns provided. Each individual who sees the Top Secret document will sign and indicate the date of handling in the right-hand column.

NOTICE OF DETACHMENT: When this form is detached from Top Secret material it shall be completed in the appropriate spaces below and transmitted to Central Top Secret Control for record.

THE DIRECTOR OF CENTRAL INTELLIGENCE

WASHINGTON, D. C. 20505

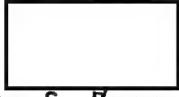

National Intelligence Officers

NFAC 4298-81

13 July 1981

MEMORANDUM FOR: Director of Central Intelligence
FROM: Chairman, National Intelligence Council
SUBJECT: Estimates on Vietnam 1962-1964

1. Attached is NIE 53-63, the only estimate produced in the 1962-1964 period that fits your description.
2. This estimate has an interesting history. As originally written and coordinated with the Community representatives, its conclusions were thoroughly pessimistic. At USIB, however, Mr. McCone severely criticized Sherman Kent and sent ONE back to the drawing boards. The revised paper, included here, was approved over the protests of the responsible analysts.
3. I have also attached a typical "contingency estimate" of the period.

Henry S. Rowen
